

Coronary Health Improvement Project (CHIP)

Leadership Training Workshop

Modesto, California – February 21-24, 2008

The Adventist CHIP Association in partnership with the Central California Conference of Seventh-day Adventists presents a CHIP LEADERSHIP TRAINING WORKSHOP.

Place: Modesto Central SDA Church -- 1614 "H" Street, Modesto, CA 95354, **Phone:** 209-521-6460

Workshop Description: This workshop will train individuals to conduct the Coronary Health Improvement Project (CHIP) in their local churches and communities. Created by Dr. Hans Diehl, the CHIP 30-day program features 16 video lectures and addresses the major western diseases including Diabetes, Cancer, Atherosclerosis, Hypertension, and Obesity. CHIP's outstanding clinical results have been published in peer-reviewed medical journals including *Journal of the American Dietetic Association*, *Preventive Medicine*, and the *American Journal of Cardiology*.

Scores of churches around North America are finding that CHIP ministry is not only changing lives, but is also making new friends for the church, for time and for eternity!
