

Coronary Health Improvement Project (CHIP)

Leadership Training Workshop

Oshawa, Ontario ~ July 10-13, 2008

The **Adventist CHIP Association** in partnership with the **Ontario Conference of Seventh-day Adventists** presents a CHIP LEADERSHIP TRAINING WORKSHOP.

Place: College Park SDA Church, 1164 King Street East, Oshawa, ON **Phone:** (905) 725-1121
and: College Park Elementary School, 220 Townline Road North, Oshawa, ON, **Phone:** (905) 723-0163

Workshop Description: This workshop will train individuals to conduct the Coronary Health Improvement Project (CHIP) in their local churches and communities. Created by Dr. Hans Diehl, the CHIP 30-day program features 16 video lectures and addresses the major western diseases including Diabetes, Cancer, Atherosclerosis, Hypertension, and Obesity. CHIP's outstanding clinical results have been published in peer-reviewed medical journals including *Journal of the American Dietetic Association*, *Preventive Medicine*, and the *American Journal of Cardiology*.

Scores of churches around North America are finding that CHIP ministry is not only changing lives, but is also making new friends for the church, for time and for eternity!
